

YOU ARE FAITHFUL

Verse 1

God you're always with me in the storm
And I know that I have never walked alone
Even when I can't see and the night is oh so long
You are faithful, for-ever my God

Chorus

Higher than the mountains, Stronger than the storm
You never will for-sake me, You are faithful, My Lord

Verse 1

The dark has fled you've brought the morning light
My fear is gone it faded with the night
Your mercy always comes as surely as the sun will rise
You are faithful, for-ever my God

Chorus

Higher than the mountains, Stronger than the storm
You never will for-sake me, You are faithful, My Lord

Bridge

You are stronger, higher, mighty in power
There is no one like you
Sovereign, Holy, Seated in your glory
There is no one like you

Chorus

Higher than the mountains, Stronger than the storm
You never will for-sake me, You are faithful, My Lord
